

Get More from your TV Service!

Take 3 and SAVE! TV, Phone and Internet

With the "Take 3 Bundle" you receive a 15% Discount on all of your KPU Telecommunications Services, including Telephone with Calling Features, High Speed DSL Internet Services and CommVision TV Service. And it's all on one convenient bill. Take 3 Bundles start as low as \$84.95 per month. The more you take the more you save!

Local Programming

With over 10 channels devoted to local programming, KPU CommVision is putting Ketchikan on TV. Watch locally produced shows such as the Fourth of July Parade, Kayhi sports and activities, the local historical channel, Ketchikan entertainment and coverage of local meetings. Even listen to local radio stations and much more.

Locally Owned and Operated

By subscribing to KPU Telecommunications services offered as a part of Ketchikan Public Utilities you help to keep rates low on other utilities. As a customer of your locally owned and operated Utility company you have a voice in our operation. **Supporting our customers, our community and keeping your money in Ketchikan!**

Local Customer Service

You won't need to call people in Anchorage for assistance. Talk to our Customer Service Representatives face to face here in Ketchikan, not just over the phone.

Three TV Programming Packages Available

Select the level of service that is best for you and your family. All channel packages include access to Video On Demand, the Walled Garden Web Portal, Local Channels and Music channels. Add Premium Channels such as Movie packages, Adult content, or Filipino programming – whatever suits your needs.

Superior Picture Quality

100% digital quality on every channel.

No Equipment to Buy and or Install

CommVision requires no upfront costs for equipment and we install the service for free. No big cable boxes or satellite dishes to work around, either.

Interactive Channel Guide

Set up your channel guide for your preferences; view a program while channel surfing; set reminders and check your movie rental account information...with many more features are available.

Free Internet Speed Increase

1.5 times or Double your Internet speed for FREE! This is based on the level of video package you subscribe to. Increase your Speed buy 1.5 times with the Enhanced Package and Double your Speed with the Definitive Package. (This is a Special Promotion available for a limited time. Some stipulations apply)

Free On-Screen Caller ID

If you subscribe to Caller ID and select either the Enhanced package or the Definitive package, Caller ID Information will appear on your TV screen whenever you receive a call.

Video On Demand (VOD)

VOD will offer up to 400 new release and library movie titles to rent. You will have full access to a rented movie to fast forward, pause, rewind or watch again for up to 24hrs. VOD will also carry free local and other content in the future.

Parental Controls

Parental controls give you complete control of the type of programs on your TV. At the time service is requested customers can also request that all Adult Content be blocked from appearing on the channel listing, guide information and VOD library.

Walled Garden

The Walled Garden is specific information designed to be displayed on your TV screen.

Future Services

Stay tuned for future enhancements to KPU CommVision including Personal Video Recorders and High Definition TV.
