

KPU Telecom

- Simply Brilliant
- Totally Local

Blazing Fast Internet Service

We offer 7 different levels of DSL Internet service at super competitive prices, especially when bundled together with our Television and Telephone packages. And our internet connects to the outside world via an undersea fiber-optic cable.

Best High Definition TV in Ketchikan

We are the only service provider that has CBC and Seattle based ABC, NBC and FOX in HD. We offer dozens of channels in brilliant, crisp video. And ever growing areas of Ketchikan receive service via our crystal-clear local fiber optic network.

Save 15% on All your Services

With our "Take 3 Bundle" you receive a 15% Discount on all of your KPU Telecommunication Services, including Telephone with Calling Features, High Speed DSL Internet and CommVision TV Service. And, it's all on one convenient bill. Take 3 Bundles start as low as \$78.93 per month. The more you take the more you save! (\$78.93 includes the Basic Choice phone Package, DSL Lite, and Essentials TV package plus basic dial-tone. Does not include federal & local taxes and surcharges.)

Save \$10 on your Electric Bill

By subscribing to our "Take 3 Bundle" you will also receive a \$10 Discount off of your monthly KPU electric utility bill.

Locally Owned and Operated-our Focus is only Ketchikan

KPU Telecommunications is locally owned and operated. As a customer, you have a voice in our operation. It is your community and your utility, plus your money stays in Ketchikan!

Local Customer Service

Have a problem or want to make a change? With KPU you can either talk to our helpful Customer Service Representatives face-to-face or speak with one of us over the phone. You won't need to call another city or a foreign country for assistance (or get stuck in a computer loop trying to speak to a real person.)

Local Programming

We produce more than 10 local channels. Local shows include Ketchikan High School Sports, the Fourth of July Parade, the local historical channel, coverage of local meetings and more. You can even listen to local radio stations.

Free Installation and Equipment for TV and Internet Service

CommVision requires no upfront costs for equipment and we install the service for free. No big cable boxes or satellite dishes to work around, either. Free use of DSL Modem for as long as you use your service. (\$25 Ethernet connection purchase may be required for older computers.)

Video On Demand (VOD)

VOD offers up to 400 new release and library movie titles to rent. You will have full access to a rented movie to fast forward, pause, rewind or watch again for up to 24hrs.
